Dear Judge Shoob:

Attached are the first two staffing reports provided by the DeKalb County Child Advocacy Center. I have verified the information provided and have determined it to be true and accurate.

For the past several months I have been observing the operations of this office as they prepare to meet the spirit and the language of the consent decree. At this time, no child advocate attorney has over 150 cases on her caseload. Procedures have been put in place to document detailed activities on each case including placement visits, stakeholder contact, courtroom strategy, negotiations and outcomes. I will continue monitoring the progress of this office and submit a detailed compliance report in six months.

If you have any questions, please do not hesitate to contact me at (678) 887-4949.
